## " ON THE RIGHT TRACK "

-----  
 VOLUME NUMBER 3 -- DATED 31 JANUARY 1999 -- ISSUE NUMBER 01  
 -----

Our mission is to publish a newsletter and to maintain an Internet Home Page. The Association will use these publications to inform its general membership about events within the Association and about current or proposed legislation that might affect veterans of all wars.

FROM THE  
 EDITOR'S DESK...

DEAR TROOPERS,

As another new year begins, I want to thank each and every one of you for your support of YOUR Association. This is the beginning of the third year for the Association and its newsletters: believe me, without your help, this would not have been possible. Thank you ALL again!! Although there are still so many of our ex-troopers out there who have not been located, this will develop as one of the primary objectives for the Association this coming year, ... to track down and contact as many of our friends as we can and invite them into our group. Anyone who has an idea of where our "lost" fellow soldiers are, please contact me and help make the task a bit easier. An up-to-date Directory and E-Mail Listing will be sent out in March. If you don't see a friend's name on the list, contact them and try to convince them to join.

\* \* \* \* \*

Please find included with this issue a Financial Statement showing the Income and Expenses for the Association from 1 January 1998 through 31 December 1998.

If anyone has any questions or wishes to see detailed information on income or expenditures, please contact the Secretary/Treasurer in writing and a copy of that information will be made available to you.

FOR ANYONE THAT IS "ON-LINE", WE NOW HAVE A "HOME PAGE."

Please take the time to check it out every so often. The address for this new service to the Ichaban troopers is:

MEMBERSHIP COMMITTEE  
\* \* \* \* \*

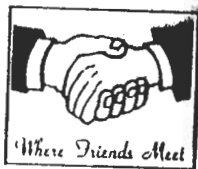

There are seventeen members from 1997 who have not paid their 1998 dues yet. And, now the 1999 dues are currently due. Please check your label on this envelope. It has a year on it. That is when your dues are PAID FOR. If it does not have 1999 or later on it, you now are in arrears. Some of those 17 were at the last reunion, yet they have not contributed their part to the Association to keep it healthy. After all, that's what it's about! Membership is everyone's business. Without dues paid by members, the newsletters can't be published, contacts with additional members of the 1/50th Battalion can't be initiated, and the Reunion cannot go on. I plan to send newsletters to the delinquent as long as possible. Once finances get tighter, that will not happen. So, please gentlemen, ... if you have not paid your dues for the current year, do so! We have many things planned for the Reunion in September which will "eat" our funds rather quickly. I plan to cover as many expenses with our funds, so the cost is kept low for those attending.

\* \* \* \* \*

Now that winter is upon us, the Association will work on completing the "KIA" Memorial Book. In it, we will have the names of those from our battalion who gave "their all" in that fruitless struggle. Included is a "work sheet" on the person, date of death, cause of death, etc. What I plan to do now is to complete this book in time for the Reunion in September. I have several people who will help with the "rubblings" from the "Wall" and other information. As hard as it may be to think back, please do! Try to remember the names of those who died in that fight, so we may include ALL who perished. Send those names to me, so we may continue gathering the "rubblings" in time for the Reunion. Below is a list of those we are aware of. Any names that should be added to the list, please send them to me; so we can continue our search. Thanks!

THE UNKNOWN SOLDIER

There's a grave near the White House where the unknown soldier lies,  
 And the flowers there are sprinkled with the tears of mother's eyes.  
 I stood there not so long ago with roses for the brave,  
 And suddenly, I heard a voice speak out from the grave.  
 I am the Unknown Soldier, the spirit voice began,  
 And I think I have the right to ask some questions man to man.  
 Are my buddies taken care of? Was their victory so sweet?  
 Is that big reward you offered, selling pencils on the street?  
 Did they really win the freedom they battled to achieve?  
 Do you still respect the patch above that empty sleeve?  
 Does a gold star in the window now mean anything at all?  
 I wonder how my girl feels when she hears a bugle call?  
 And that baby who sang "Hello Central, give me no man"  
 Can they replace her daddy with just a military band?  
 I wonder if the profiteers have satisfied their greed?  
 I wonder if a soldier's mother ever is in need?  
 I wonder if the kings, who planned it all are satisfied?  
 They played their game of checkers and eleven million died!  
 I am the Unknown Soldier and just maybe, ... I died in vain,  
 But if I were alive and my country called, I'd do it all over again!

A rancher needs a bull to service his cows. He has to borrow the money from a bank. The banker who lent the money comes by a week later to see how "his" investment is doing. The farmer complains that all the bull does is eat grass and won't look at a cow. The banker suggests he go to a Vet Doctor.

The next week, the banker returns. The farmer is very pleased. "The bull serviced my cows, broke through the fence and serviced all my neighbor's cows on both sides of me, and now he is roaming the pastures across the street looking for more!" the farmer says.

"Wow!" the banker shouts. "What did the vet do to him?"

"Well," said the farmer, "Just gave him a couple pills."

"Geez!" the banker exclaims, "What kind of pills were they?"

"I don't know," exclaims the farmer, "But they sort of taste like peppermint."

This letter came from one of our members, Billy Hayes:

On Saturday, November 28, 1998; Carolyn and I went to Fort Hood, Texas. The post looked somewhat like I remembered it. Where the 2d AD was located, the 4th Infantry Division now is. Where the 1st AD was, the 1st Cavalry Division is. While there, we found the barracks of the 17th Eng Battalion where most of us took basic. I also found the 1/41st barracks where most of us took AIT! The old 1/50th barracks were still there in the same place. If any of you want to go back to Fort Hood, just let me know and we can make plans to go. You all have a Merry Christmas and a very Happy New Year!

 REUNION 1999  
 \* \* \* \* \*

Well gentlemen: It is only seven months until we meet in Kansas City. Although that seems so far away, rest assured, it is not! If you have not made your plans to attend already, please do so as soon as possible. Many have already booked their rooms at the hotel. Keep in mind; we only have 100 rooms available and the middle of August is the cut-off date, when the hotel will sell all remaining rooms to anyone who wishes them; So, please... book now before you risk losing a chance to stay with us.

One change in the tentative schedule I marked on the Registration Form sent out a while back. The tour of the National Headquarters will be on Friday and not Thursday as I stated on the form. Also, for those women who would like to attend the reunion, we are planning a bus trip to one of the best shopping areas in the mid-west. So, if you wish to come with your husband/boyfriend, please do so! There will be something for you to do while the guys sit around and shoot the breeze.

Saturday morning after breakfast and prior to going to the casino, we plan to have individual Company meetings somewhere in the hotel for an hour or two; sort of a "get acquainted again" affair. This is still in the preliminary stage as I have not received word from the hotel space will be available, but I would like to see each company hold a special get-together on Saturday. This idea was presented by one of our own, Richard Guthrie, past company commander of Bravo Company, and I want to thank Dick for suggesting it!

\* \* \* \* \*

Listed below are committees in need of volunteers: one or two hours is all that is needed. I also need someone locally who will be driving to the reunion to pick up refreshments, chips, pretzels, that type of stuff for the Hospitality Room. Please contact me if you can donate an hour or two to help make this reunion a success. Listed with the committees, I have names of those who volunteered to help so far. If you would rather not be on the committee I have selected, let me know, otherwise, see you in Kansas City in September!

Hospitality Room chairman: Ken Riley

1. Toby Jordan
2. Billy Hayes
3. Ken Riley

Door Prizes Committee:

1. John Topper
2. Ken Riley

Reception Tables Committee:

1. Ken Riley
2. Gary Quint
3. Billy Hayes
4. Bob Schaller
5. Bill Grant

An agenda will be sent with the March issue of the Newsletter. At that time I will have the hours of operation for the Hospitality Room and the Reception Table. I would like to see enough guys volunteer so no one has to set at either for more than two hours.

NEWS FROM AROUND THE ASSOCIATION

\* \* \* \* \*

An addition to a previous "BIO" Page:

Edward Arispe, of Delta Company just recently joined the Association. Welcome Home, Brother!

Arispe, Edward: Ed served with Delta Company, arriving in Vietnam with the Battalion from Fort Hood. He left country in July of 1968 and shortly thereafter got out of the service. For some reason though, Ed re-enlisted in 1974, and retired in January of 1994. He now lives in San Antonio Texas, and has two children, Pauline and Darline.

\* \* \* \* \*

Joe Ewing, from Charlie Company, one of the originals; reports in:

On May 27th, 1998, his son, Joe Jr. graduated with military distinction from the U.S. Air Force Academy. He was commissioned as a second lieutenant, and is presently stationed at Spangdahlem Air Base in Germany as Tactical Communications Officer. Like father, like son, huh, since Joe was also in the communications section.

\* \* \* \* \*

Some very sad news to report:

On Christmas Day 1998; Billie R Spence (Alpha Company) of Palestine Texas, passed away. I received word from his son, William, of the sad news. I have since offered his son, William, an honorary membership in the Association, of which he has accepted. Sorry about your father's untimely death, ... and welcome to our Association.

If I could just ask all those who read this newsletter, to please just pause for a moment of silence and a prayer for Billie R Spence, and his family. Thanks guys!

 REMEMBER  
 \* \* \* \* \*

Here I stand, huge dark and angular, firmly planted in the ground.  
 I cannot move, but I have the power to move others.  
 Those who see me see fear, confusion, courage, sacrifice.  
 They hear crying, laughing, an explosion of noises, a dreaded silence.  
 Some look at me with pride, while others turn away with disgust.  
 Yet no one greets me with indifference, for I am a part of mankind.  
 It is man's needs and greeds that brought me into being.  
 I am the rich and the poor, the good and the bad, the brave and the cowardly.  
 I am one and I am many.  
 When you look at me, remember a boy barely out of his teens calling for his mother.  
 Remember a father who never got to see his child.  
 Remember a man who knows the burden of sending others to a probable death.  
 I am America's blood, her anguish, her strength.  
 No matter what you think of the cause, when you look at me see the faces of those whose names I bear.  
 Never let their valor be forgotten.

Here I stand for all eternity, so that the memory of those who died in the Vietnam War will live on.

\* \* \* \* \*

First, before I go onto any further business, I want to apologize for some of the bad copies you folks have in your possession. Our copier at work is going on the blink, and it will be a while before it is fixed, I am afraid. So please forgive me for sending these bad copies out, but I wanted to not delay the newsletter anymore. I will check into the cost to have them printed at a local print shop, if the machine is not fixed by the time the next newsletter's date arrives.

\* \* \* \* \*

On the next page, you will find information on the "Cow Pie" Raffle we will be conducting to raise funds for the reunion. A fellow "Ichiban" trooper, Therman Pike has agreed to help us out with this, and for that I am very grateful.

I will print up tickets for sale shortly. If you are interested in buying and selling any, please... please send the attached form back with your order for tickets. If you can send any money along with the order, it would be appreciated. Costs of producing the tickets is not known as of yet, since I am not sure how many will have to be printed, but I am sure they are not cheap, from my other dealings with the printing centers. DO NOT WAIT TOO LONG TO RETURN THE FORM! I need to have a count of tickets soon, so I can order them. THANKS!

\* \* \* \* \*  
 1ST/50th COW PIE RAFFLE  
 \* \* \* \* \*

The Association will be hosting its first ever "Cow Pie" raffle on or about 1 September 1999, (weather permitting), to help raise money to pay for some of our expenses at Kansas City Reunion in September 1999. Here is how it works:

We will sell raffle tickets to who ever wants to buy them: your friends, family, co-workers, neighbors, etc. Tickets are \$2.00 each or a book of 6 for \$10.00.

Now! How does it work? First, you sell your tickets to anyone you can. Then on the day nearest "D-Day", 1999, an animal will be released into a "designated" field. The field will be divided up into how ever many tickets we sell: (ie: 4500 tickets sold, each square will be about ten square feet).

There will be a minimum of two OBSERVERS in the area of the cow. When the cow releases its load, the square the "cow pie" hits will be the official winner. Should it hit on the line between two or four squares, each of those ticket holders will receive a percent of the prize money. (50% for two lines, and 25% if it hits on the corner of the square). The amount of the prize will vary depending on the amount of tickets sold. If we have sales of, say 2500 tickets, the winner(s) will receive \$2,500.00. The person selling the winning ticket will receive \$150.00. Convenient number there, huh?

After expenses for ticket printing, lime to stake out the field, etc., we anticipate raising about \$750.00 for each 1,000 tickets sold. Thus, if we sell 2,000 tickets, we would have \$1,500.00 to put toward the expenses of the reunion. Hopefully, between the registration fee, money raised in this event, and the "free" stuff I talk National VFW out of, it should not cost anyone much for the reunion, other than room and travel. At least, it sounds like a plan, if things go well.

So! The only thing I have to do is convince all of you out there to purchase your tickets, plus tickets to sell to your family, friends, co-workers, neighbors, etc. Open up your hearts and your pocketbooks, and send for your tickets today! Don't wait until July to order your tickets, buy them now and get them sold. You can always reorder more. The person selling the most tickets receives a cash prize of \$150.00. There goes that number again. I would love to hand someone a check for \$150.00 at the reunion or send it to the winner.

Send your checks or money orders to:  
 1/50th Infantry Association  
 Kenneth G Riley  
 200 Georgetown Court  
 Hanover PA 17331

Mark your check with "Cow Pie Tickets" or put a note with it and how many tickets you want. Remember, Besides helping the Association, you may be one of the lucky winners of a nice sized cash prize.

More tickets can be printed as the re-orders for tickets come in. Please help to cover the expenses of the reunion by purchasing your "Cow Pie" tickets now. Support your Association and help everyone have a great time at the reunion, inexpensively. AND, keep in mind, some lucky winner(s) out there will end up with some spending money of their own.
